# **L&T Wins Top National Energy Conservation Award**

**Mumbai, December 15, 2005:** Larsen & Toubro Limited's (L&T) Heavy Engineering Division has won the First Prize in National Energy Conservation Awards-2005, conferred by the Ministry of Power to recognize industrial units which have institutionalized systems and procedures for efficient utilization and conservation of energy. Mr. M. V. Kotwal, Senior Vice President (Heavy Engineering) and Member of the Board, L&T, received the award from the President of India, Dr. A. P. J. Abdul Kalam, on December 14, 2005, at Vigyan Bhavan, New Delhi.

The award recognizes L&T management's commitment to the cause of energy conservation, and the multiple innovations introduced by the Company to reduce energy loads at every phase of operations. L&T has consistently achieved a high production-to-power ratio at its Works at Powai, Mumbai, across the last three years. The company-wide effort to conserve energy and extend the utilization of natural resources is part of L&T's larger objectives as a responsible corporate citizen.
