

# L&T is *Business Today's* Top 10 'Best Companies to Work For'

## Ranks First in Engineering & Automotive Sector

In the 13th edition of the annual survey conducted by the popular business news magazine, *Business Today (BT)*, L&T has been ranked among the Top 10 'Best Companies to Work For'. L&T is the only company from Engineering & Construction field to figure in Top 10 of the list.

In the Engineering & Automotive sector, L&T has again been ranked No.1.

The survey aimed to map the perceptions and aspirations of India's employees across sectors. The total number of respondents surveyed was 13,364, of which eight per cent were women. The survey was conducted between January 24 and April 11, 2014. The distribution is almost even in the 25-45 age group. Ten sectors that included software, pharma, health care and engineering were covered.
