Tamco Switchgear, Malaysia Wins 'MV Company of the Year' Award

Tamco Switchgear (Malaysia), medium voltage (MV) switchgear brand of L&T Electrical & Automation, has been conferred the '2014 MV Company of the Year' Award by the leading consultancy firm, Frost & Sullivan.

The citation lauds Tamco as an outstanding company that has excelled in its business segment, and is noted for its efforts to improve the industry as a whole.

Mr. Umesh Bharadwaj, Chief Executive Officer of Tamco Switchgear (Malaysia), received the award at the Malaysia Excellence Awards Night on April 15, 2014, in Johor, Malaysia.

Tamco has established itself as a leader of MV switchgear in Malaysia and is among the top players in South-East Asia. It emerged as the winner after a comprehensive evaluation process. The companies were ranked on their revenues, market share, capabilities, and overall contribution to the industry. The findings were presented to a panel of independent judges comprising influential personalities and leaders in Malaysia.
