L&T Construction Secures Orders Valued Over ₹ 1076 Crore

Mumbai, June 15, 2012: L&T Construction has won new orders valued ₹ 1076 crore across various businesses during the first quarter of 2012-2013.

The **Metallurgical & Material Handling IC** has bagged an order worth ₹ 407 crore from Bajaj Infrastructure Development Corporation Limited (BIDCO) to set up a coal handling system on turnkey basis for their green field 3 x 660 MW Super Thermal Power Project in Lalitpur, Uttar Pradesh. This coal handling plant package will be completed on a fast track schedule of 22 months. L&T's scope of work includes design, engineering, supply and erection of mechanical, electrical & instrumentation works, covering associated civil, structural works, testing and commissioning.

The **Power Transmission & Distribution IC** has secured new orders worth ₹ 669 crore in domestic and international markets. A major order has been bagged for the construction of 132/33 kV substations and other modification works in the Middle East. On the domestic front, a new order has been secured for executing electrical works under Restructured Accelerated Power Development Reforms Programme for the Hubli Electricity Supply Company Limited and a few additional orders from various ongoing projects.
