L&T Construction Secures Orders Valued over ₹ 2040 Crore

Mumbai, June 29, 2012: The Infrastructure IC of L&T Construction has won a major order valued at ₹ 2040 crore from a leading infrastructure developer.

The highway will be executed on EPC (Engineering, Procurement & Construction) mode. The scope of work involves six laning of the existing road including construction of rail over bridges, underpasses, flyovers, major bridges and viaducts.

The mega project is a part of National Highway system being developed under the National Highways Development Programme (NHDP).

Background:

Larsen & Toubro is a **USD 12.8 billion** technology, engineering, construction, manufacturing and financial services conglomerate, with global operations. It is one of the largest and most respected companies in India's private sector.
