L&T Bags Rs 1100 crores Orders in Buildings & Factories Segment

Mumbai, January 06, 2009: L&T's Buildings & Factories Operating Company-part of its Construction Division- has bagged add on orders aggregating around Rs 1100 crores in the third quarter of 2008-09 from its ongoing developmental projects like mixed use developments at Chandigarh, Darley Road Tower in Sri Lanka, Airport Hotel at Bangalore and add on works at its airport projects.

These orders further enhance the order book of the Company which had already secured major design-&-build orders in the airports, IT Parks and commercial space. L&T has a significant market share in these segments.

L&T's Capability Spectrum

Larsen & Toubro Group (L&T) is \$7 billion technology-driven engineering and construction organisation, and one of the largest companies in India's private sector. It has further interests in manufacturing, services and Information Technology. A strong, customer-focused approach and the constant quest for top-class quality have enabled the Company to attain and sustain leadership in its major lines of business across seven decades.

As a technology-driven engineering conglomerate, L&T's capabilities cover large process plants, construction, electrical distribution, electronics and information technology. L&T is in a position to offer its customers a single window for meeting a variety of industrial requirements. L&T has a successful track record in building plant and equipment used in the oil & gas sector, refineries, infrastructure and power projects, and has technology relationships with world leaders that have enabled it to execute world-class projects.
