# L&T's Oman Arm Bags Construction Orders Valued at Rs. 1198 crore

**Muscat, January 23:** Larsen & Toubro (Oman) LLC, one of the leading companies in the field of engineering and construction in the region has secured major orders cumulatively valued at Rs. 1198 crores (USD 245 million), against stiff international competition. The orders cover construction of a hotel and apartments for the 2<sup>nd</sup> Asian Beach Games, a mosque and underground cabling.

The 2<sup>nd</sup> Asian Beach Games complex is being developed by Oman Tourism Development Company - the government of Oman's tourism development, and its investment arm. The project comprises construction of a hotel, marine apartment buildings, administrative buildings for the Games and an athletes' village. All these projects are scheduled to be completed in less than two years.

Engineering, Cost and Project Management Consultants for the project are M/s W.S. Atkins, NWS International and Faithful+Gould.

The mosque being built by L&T Oman is developed by a reputed business group of Oman. It embodies Omani architecture and is poised to change the skyline of Oman. The project is scheduled for completion within 35 months.

Underground Cabling works from Oman Electricity Transmission Company (OETC), comprises replacing a portion of 220 and 132 KV Overhead lines in Muscat Governorate with Cabling works of 60 Km to be completed in 18 months. Mott Mac Donald is the consultant for the project.

Larsen & Toubro (Oman), a joint venture of Larsen & Toubro Limited and the Zubair Corporation, has a strong presence in Oman, and across the last decade has emerged as a leading construction company of Sultanate of Oman.

## **Larsen & Toubro**

Larsen & Toubro Group (L&T) is \$7 billion technology-driven engineering and construction organisation, and one of the largest companies in India's private sector. It has further interests in manufacturing, services and Information Technology. A strong, customer-focused approach and the constant quest for top-class quality have enabled the Company to attain and sustain leadership in its major lines of business across seven decades.

As a technology-driven engineering conglomerate, L&T's capabilities cover large process plants, construction, electrical distribution, electronics and information technology. L&T is in a position to offer its customers a single window for meeting a variety of industrial requirements. L&T has a successful track record in building plant and equipment used in the oil & gas sector, refineries, infrastructure and power projects, and has technology relationships with world leaders that have enabled it to execute world-class projects.

## **Zubair Corporation**

The Zubair Corporation was set up in 1967, and is widely regarded as a founder member of Oman's growth and development. It is engaged as supplier, contractor and total solutions provider to a number of industries including energy, automotive, IT and communications technology and tourism.

In addition to the Gulf, the Zubair Corporation has a presence in Europe and the US.
