L&T Hydrocarbon Engineering awarded (Large*) EPCI Project from Saudi Aramco for 28 Jackets

Mumbai, August 22, 2019: Consortium of L&T Hydrocarbon Engineering Limited (LTHE) and EMAS AMC PTE Ltd. (A Subsea7 Company) has been awarded a project by Saudi Aramco. This project consists of twenty eight offshore jackets in ZULUF, MARJAN, SFANIYA & RIBYAN offshore fields of Saudi Arabia.

It demonstrates Saudi Aramco's trust on LTHE's capability to deliver to a challenging schedule with excellent safety and quality performance.

LTHE's fabrication facilities in Middle East & India are fully equipped to execute these challenging projects.

LTHE is a subsidiary of Larsen & Toubro and is based in Mumbai, India.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 20 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

* L&T defines a Large contract as being between INR 2500 Crore and INR 5000 Crore
