Nabha Power Wins Twin Awards at CII Energy Efficiency Summit

Nabha Power Limited (NPL) won two prestigious awards at the 20th National Award Ceremony for Excellence in Energy Management 2019 hosted by the Confederation of Indian Industry (CII) at Hyderabad recently.

NPL was recognized as the National Energy Leader for its consistent and progressive performance for three consecutive years in Energy Management and also took home the award of Excellent Energy Efficient Unit for outstanding achievements in Energy Efficiency.

Mr. S.N. Roy, MD & CEO, L&T Power and Whole-time Director, L&T, congratulated NPL team on the accomplishment noting that the CII National Energy Leader Award is a testimony to NPL's commitment toward sustainable growth with focus on resource conservation and environment management. "NPL is following some of the best operation and maintenance practices in the country to optimise efficiency," Mr. Roy said.

CII works to create and sustain an environment conducive to the growth of industry in India, partnering industry and government alike through advisory and consultative processes.

NPL, a wholly-owned subsidiary of L&T, operates a 2x700 MW coal-based Super-Critical Thermal Power Plant at Rajpura, Punjab. The plant was commissioned in 2014 and has received several national and international awards.
