LTRPM Wins CII-Exim Bank Business Excellence Award in Gold Plus Category

L&T Rubber Processing Machinery (LTRPM), a unit of Machinery and Industrial Products IC of L&T, has won the **CII-Exim Bank Business Excellence Award 2019** in the Gold Plus category for exemplary commitment to Business Excellence.

LTRPM was nominated after a detailed and exhaustive assessment of its business processes, systems and facilities by a team of six CII certified assessors. LTRPM was bestowed the honour by CII Institute of Quality at a glittering ceremony at Taj Bengaluru on November 23, 2019.

On receiving the award, Mr. S. Kalyanaraman, Head of Business Unit, stated that the award is a testimony to the effectiveness of various improvement initiatives undertaken by LTRPM in its journey for excellence. It is a recognition for the outstanding quality standards, digitalization initiatives, innovation, global best practices and above all, employees' commitment & passion for excellence.

This will help us further our vision of becoming the most trusted Machine Manufacturer for the global tyre industry, he added.
