## L&T Wins Ultra Mega\* Contract (L&T's largest order till date) for its Offshore Hydrocarbon Business

**Mumbai, March 26, 2025:** QatarEnergy LNG, the world's premier LNG company, has awarded an Ultra Mega Offshore Contract for the North Field Production Sustainability Offshore Compression Project (NFPS COMP 4) to Larsen & Toubro Limited (L&T) Hydrocarbon Business (L&T Energy Hydrocarbon - LTEH) marking the largest single contract ever received by L&T.

The scope of work encompasses the engineering, procurement, fabrication, installation, and commissioning of two offshore compression complexes, each comprising of large offshore platforms with compression & power generation facilities, living quarters, flare platforms, interconnected bridges, and other associated structures to be located at approximately 80 kms off the northeast coast of Qatar.

*Mr S N Subrahmanyam, Chairman & Managing Director - L&T, commented "Securing QatarEnergy LNG's Ultra Mega Offshore Contract—the largest single order in our history, is a landmark achievement. This prestigious project strengthens our global energy portfolio while supporting Qatar's energy security objectives. I thank QatarEnergy LNG for placing their trust in L&T to deliver this complex and strategically important project. We look forward to setting new benchmarks in project execution that will reinforce Qatar's position as a global LNG leader."*

*Mr Subramanian Sarma, Deputy Managing Director & President - L&T, commented "The award of a project of such nature is a reflection of the confidence and trust placed by QatarEnergy LNG in L&T's expertise and its ability to deliver such large-scale projects for which L&T is very thankful. This collaboration not only strengthens our partnership but also reaffirms L&T's commitment to supporting Qatar's strategic energy objectives through innovative and reliable solutions."*
