L&T Construction Wins (Significant*) Orders for its Buildings & Factories Business

Mumbai, Oct 06, 2022: The Buildings & Factories Business of L&T Construction has secured an order from a leading automobile major to construct a state-of-the-art manufacturing facility in Haryana, India. The scope involves Design & Execution of Civil, Structural & Architectural works including external development works. This win is on the back of a prestigious order from Reliance Life Sciences, a leading bio-tech major to construct their state-of-the-art life sciences products manufacturing facility in Maharashtra, India.

The Business has also won an order from the Government of Assam, Public Works Department to construct a Police reserve campus in Guwahati. The scope of works includes Design and Construction of accommodation facilities for Police, office space, multi-level car parking and allied buildings in all aspects including structure, finishes, MEP, and related external development works. This project is to be executed in 36 months.

Background:

Larsen & Toubro is an Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality has enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
