L&T Construction Wins (Significant*) Orders for its Water & Effluent Treatment Business

Mumbai, Oct 11, 2022: The Water & Effluent Treatment Business of L&T Construction has secured repeat orders from the Water Resources Department, Govt. of Odisha to execute Cluster XIX & Cluster XX Mega Lift Irrigation Projects.

The aggregate scope of work includes execution of 23 Lift Irrigation Schemes consisting of intake points spread across Anandapur Left Main Canal, Bidydharpur Barrage, Hadagarh Reservoir, Anandapur Barrage & Kharsua, Kani & Baitarani Rivers, with the objective to irrigate a culturable command area of 29,914 hectares in the districts of Keonjhar, Jajpur & Kendrapada on a turnkey basis.

The order reiterates L&T's credentials in the irrigation sector and reinforces customer trust in our capability to aid the development of agriculture in the state.

The Business has also secured various add on and variation orders.

Background:

Larsen & Toubro is an Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality has enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
