L&T Construction Wins (Major*) Orders for its Water & Effluent Treatment Business

Mumbai, January 03, 2023: The Water & Effluent Treatment Business of L&T Construction has bagged repeat orders from the Government of Madhya Pradesh to execute two lift irrigation projects to irrigate **2,05,000 Ha** of culturable command area covering more than **five hundred villages** of Dewas & Dhar districts in the state of Madhya Pradesh on a turnkey basis.

The scope includes Survey, Design, Engineering, Procurement, Construction of Pump Houses, Laying of Rising & Gravity Mains, Distribution Network and SCADA for controlling & regulating the entire system. The micro irrigation projects will lift **60 cumecs** of water from the Narmada River to irrigate the farmlands benefitting **3,00,000** farmers in the process. The state-of-the-art automation system with field instruments and automated valves will ensure round the clock supply of water during the Rabi season.

The order reaffirms L&T's credentials in the irrigation sector and reinforces customer trust in our capability to aid the development of agriculture in the state.

Background:
