L&T Construction Wins (Significant*) Orders for its Buildings & Factories Business

Mumbai, May 17, 2023: The Buildings & Factories (B&F) Business of Larsen & Toubro (L&T) Construction has recently secured EPC orders in India.

The Business has won an order from a reputed developer to construct residential towers in Thane, Mumbai. The scope of the work includes construction of core and shell works for 5 towers comprising ground, 5 podiums, 54 floors and allied parking areas. The project is to be executed within stringent timelines.

Further, B&F Fast, one of the verticals of the Business, has secured an order from a prestigious client to construct commercial office space in Bengaluru with an approximate built-up area of 16 lakhs sq. ft. The scope of work includes civil works for the composite structure, warm shell finishes to construct 3B+G+15 floors. The project is scheduled to be completed in 18 months. This is testament to the expertise of the business vertical for fast track execution of steel structures with composite steel technology.

Background:

Larsen & Toubro is an Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality has enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
