L&T Construction Wins (Significant*) Order for its Buildings & Factories Business

Mumbai, July 5, 2023: The Buildings & Factories Fast Business of Larsen & Toubro (L&T), Construction has recently secured an EPC order in Mumbai for an Office Space Development using Composite Steel Construction Technology.

The order is received from a Multinational Company for Construction of Commercial Office Space at Mumbai with an approximate built-up area of 14.85 Lakhs Sq. ft.

The project scope involves Engineering, Procurement & Construction including Civil Works, Composite Steel, Façade, MEP & External Development Activities to construct 6B+G+12 Floors.

The project is scheduled to be completed in 2026.

This is a testament to the expertise of the business vertical in fast-track execution of steel structures with Composite Steel Technology.

Background:

Larsen & Toubro is a USD 23 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
