L&T Construction secures (Large*) order for its Transportation Infrastructure Business

Mumbai, October 03 2023:

The Transportation Infrastructure business vertical of L&T Construction has received the prestigious Dahisar Bhayander Bridge project in Mumbai.

The project has been awarded by Municipal Corporation of Greater Mumbai (MCGM) for construction of 4.5 Km long bridge connecting Dahisar and Bhayander. The project will significantly reduce the travel time between Dahisar and Bhayander which currently takes more than 45 minutes.

The 4.5 Km link will have two separate carriageways and multi-level interchange and Dahisar and Bhayander for seamless entry and exit. The project will also have two large navigational spans along the creek.

L&T is already executing two packages of the prestigious Mumbai Coastal Road projects, for Municipal Corporation of Greater Mumbai (MCGM).

Background:

Larsen & Toubro is a USD 23 billion Indian multinational engaged in EPC Projects, Hi-Tech Manufacturing and Services. It operates in over 50 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

* Project Classification

Classification	Significant	Large	Major	Mega
Value in ₹ Cr	1000 to 2500	2500 to 5000	5000 to 7000	>7000
