## L&T Wins (Significant\*) Order to Construct Automobile Plant

Mumbai, Jul 31, 2024: The Buildings & Factories (B&F) business vertical of Larsen & Toubro has won an order to construct a state-of-the-art automobile manufacturing plant for a prestigious company.

The plant is to be constructed near Bengaluru by adhering to Indian Green Building Council (IGBC) norms. The scope entails comprehensive design, execution of civil, structural, architectural and MEPF (Mechanical, Electrical, Plumbing and Fire Protection) services.

The Buildings & Factories vertical of L&T has immense expertise and wide-ranging experience to undertake all types of EPC projects for a variety of sectors. Over the years, it has acquired the capability to execute complex industrial projects on a design-and-build basis and has emerged as a total solutions provider in the factory construction segment.

### Background:

Larsen & Toubro is a USD 27 billion Indian multinational enterprise engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over eight decades.
