L&T Wins (Large*) Offshore Order from ONGC

Mumbai, June 13, 2024: The Hydrocarbon vertical (L&T Energy) of Larsen & Toubro (L&T) has secured an order from the Oil & Natural Gas Corporation (ONGC) for Daman Upside Development Project-Wellhead Platforms & Pipelines (DUDP-WP), off India's west coast.

The scope of work includes engineering, procurement, construction, installation, and commissioning of four Wellhead Platforms, 140-km Pipeline and associated Topsides modifications at Tapti Daman block at a Western offshore location.

Commenting on this, **Mr Subramanian Sarma, Whole-time Director & President (Energy), L&T said:** "This order demonstrates ONGC's confidence in L&T forged through execution of multiple complex offshore projects and also reinforces L&T's commitment to contribute towards India's energy security".

Organised under Offshore, Onshore EPC, Modular Fabrication, Advanced Value Engineering & Technology (AdVENT) and Offshore Wind Farm Business Groups, LTEH offers integrated design-to-build solutions across the hydrocarbon sector to domestic and international customers. With over three decades of rich experience, LTEH has been setting global benchmarks in all aspects of project management, corporate governance, quality, health safety environment (HSE) and operational excellence.

Background:

Larsen & Toubro is a USD 27 billion Indian multinational enterprise engaged in EPC Projects, Hi-Tech Manufacturing, and Services, operating across multiple geographies. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over eight decades.
